

ABUNDANCE VINEYARDS

2000 Paso Robles Syrah French Camp Vineyards

These grapes come from the Miller family's "French Camp Vineyards" out of Paso Robles, California. This wine opens with a lovely nose of blackberries and the flavors only deepen and intensify as you move further through the layers. This wine shows at it's best when is allowed some time to open up. Our Syrah pairs well with Risotto, chicken and pork dishes.
