

## **ABUNDANCE VINEYARDS**

### **2002 Sonoma Coast Pinot Noir**

This unique Pinot Noir comes from a vineyard right on the outskirts of the Carneros region. The color of this wine is medium red with a slight garnet hue. The first impression is of dry cherries, rose petals and dusty stone. Deeper layers reveal flavors of plum, earth, forest floor and reminiscent of mint. Enjoy this wine with a variety of foods such as game birds, smoked salmon or trout.
